### **DETAILED ACTION**

Applicants amendment of claim 31, in the paper of 1/23/2004, is acknowledged.

Claims 24-26, 31-34 are at issue and are present for examination.

Applicants' arguments filed on 1/23/2003, have been fully considered and are deemed to be persuasive to overcome some of the rejections previously applied.

Rejections and/or objections not reiterated from previous office actions are hereby withdrawn.

Applicants note that on page 2 of the previous paper of 10/20/2003 (Paper No. 17) the examiner mistyped SEQ ID NO: 91 instead of SEQ ID NO: 9. This mistake has been noted, and it is acknowledged that applicants previously elected SEQ ID NO: 9, not SEQ ID NO: 91.

### ***Allowable Subject Matter***

Claims 24-26 and 31 are allowed.

### ***Rejoinder of method claims***

Applicants comments with respect to the rejoinder of claims 32-34 are also acknowledged, however as discussed previously, the methods of claims 32-34 are not subject to rejoinder as they do not recite methods of using the allowable product but instead methods of using fragments of the allowable product. The referred to claims 32-34 are not method of use of the allowable product, claims 24-26 and 31. The scope of those polynucleotides used by the methods of claims 32-34 is greater then the scope of

Art Unit: 1652

those claims deemed allowable (i.e. claims 24-26 and 31) and thus claims 32-34 are not subject to rejoinder practice.

This application is in condition for allowance except for the presence of claims 32-34 to an invention non-elected with traverse in paper of 2/6/2003. Applicant is given ONE MONTH or THIRTY DAYS from the date of this letter, whichever is longer, to cancel the noted claims or take other appropriate action (37 CFR 1.144). Failure to take action during this period will be treated as authorization to cancel the noted claims by Examiner's Amendment and pass the case to issue. Extensions of time under 37 CFR 1.136(a) will not be permitted since this application will be passed to issue.

The prosecution of this case is closed except for consideration of the above matter.

### ***Conclusion***

**THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of

Art Unit: 1652

the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
